Dear Families,

AVAILABLE
24/7—365
ORDER ONLINE ANYTIME
AND PICK IT UP AT SCHOOL

As reading is such an important part of our children's lives, we continue to offer the opportunity for you to order from the Scholastic Reading Club. These are mostly paperback editions of the more popular children's books, software, and downloadable materials, many with related learning activities. With online ordering, you have access to all the catalogs across all ages, and it is searchable, so you can order for other family members at the same time. First time and returning users need to register your child.

To Order online go to www.scholastic.com/bookclubs and choose the Parent Page

Your **login** will be your email address. The class activation code is: **LH63G**.

This code links your child to the school, listed under the director Beverly Burmark's school account. You pay with a credit or debit card, and books will be delivered to pre-school with no minimum order requirement nor additional charges for shipping. Every time parents place their orders online you earn bonuses and gifts for yourself and for your classroom.

We do keep some of the current month's fliers in the office at school. Let me know if you would like one to take home.

We will also be offering a Scholastic Book Fair on site in mid-October.

Thank you so much for supporting our Scholastic Book Club order program!
For Questions contact the office.
